Agreement to Hold Harmless Waiver and Assumption of Risk

I understand that attendance at a dog obedience/agility training class or club related event is not without risk to myself, members of my family, guests who might attend, or to my dog, because some of the dogs to which I will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest of care.

I hereby waive and release Y2K9s Dog Sports Club, hereinafter referred to as the "Club", its employees, officers, members, directors, and agents from any and all liability of any nature for injury or damage which I or my dog may suffer, including, specifically but without limitation, any injury or damage resulting from the action of any dog. I expressly assume the risk of such damage or injury while attending any training session, or any other function, of the Club, or while on the training grounds or the surrounding area thereto.

In consideration of and as inducement to the acceptance of my application for training membership by this Club, I hereby agree to indemnify and hold harmless this training Club, its employees, officers, members, directors, and agents from any and all claims, or claims by any member of a family or any other person accompanying me to any training session or function of the Club, or while on the grounds or the surrounding area thereto, as a result of any action by any dog, including my own.

By participating in classes or events at Y2K9s, I understand that both I and/or my dog(s) will be working with, exposed to or otherwise be in the presence of other dogs. I understand that neither Y2K9s, its Board of Directors, officers, its members, and/or its instructors do not warrant or otherwise insure my safety or the safety of my dog during events, classes or periods proceeding or following events or classes hosted by Y2K9s.

In the event that either my dog or I are injured by another dog prior to, during or following an event hosted by Y2K9s, I agree to hold harmless Y2K9s, its Board of Directors, officers, members and instructors for any injury suffered or sustained by myself and/or my dog(s).

I understand that this hold harmless agreement is a condition of my participation at Y2K9s classes and/or events and is part of the consideration exchanged between Y2K9s and I for the privilege of participating in events and/or classes at Y2K9s.

I have read this application and understand the conditions of membership.

VERY IMPORTANT:

Students Coming From Other Training Programs into other than Basic Canine Manners

Class: Y2K9s uses Operant Conditioning in the form commonly known as "Clicker Training" as the basis for instruction at all levels and in all arenas. "Clicker Training" relies on positive reinforcement to teach desired behaviors and skills. Most of our advanced classes are predicated upon this type of training. Our Registrar may request you to take lesson with one of our training instructors in order to review our training program so you are familiar with it and can take full advantage of the class you will be enrolled.

On the first night of class, please bring proof of current dog inoculations to class.

The methods we use for dog training calls for a lot of food reward. Bring a large supply of small, tasty treats. **Do not feed your dog any later than 4 hours before class.**

Four to six foot leads and a buckle collar are recommended. Please, no Flexi Leads. We may recommend the use of an alternate head halter or harness; they are available for sale at class.

Family members are encouraged to attend: small children are welcome if they are not disruptive. On the first night of Beginner Obedience there are no dogs in class. It is an introductory session best enjoyed without dogs.
